Our Children's Plan encourages regular attendance, enabling us to spot problems before they arise and results in helping your child maintain healthy teeth and gums for life.

Our regular appointments include:

Dental health examinations (every six months) to provide:

- Thorough examination of their current dental health to catch developing problems early with the dentist
- X-rays where clinically necessary for an internal examination of their oral health.

Hygiene appointments for 10-17 year olds (every twelve months) provide:

- Professional removal of harmful hard plaque on areas that can't be reached by normal tooth brushing
- Advice and techniques – we work with your child to prevent tooth decay and gum disease
- A 20 minute scale and polish when clinically necessary.

Pricing scheme:

Age	Children's Plan

3-9 years	£5.95***
10-17 years	£8.95***

Please ask a member of the team for details on how to register your child.

* The Worldwide Dental Emergency Assistance Scheme is a scheme established to offer support and assistance to dental plan patients who request treatment following a dental trauma and/or dental emergency or oral cancer. The Scheme responds to requests for assistance on a wholly discretionary basis. This means that, whilst the Scheme aims to provide benefits in most cases, it has no obligation to provide any benefit unless it first decides (in its sole and absolute discretion) that it should provide a benefit. There are some circumstances in which the Scheme is not designed to help and these are explained in more detail in the Scheme Handbook. Each request will be looked at individually to assess the request for benefit. Certain restrictions and limitations may apply in the event that the request is accepted and it is possible that the Scheme will decide to provide no benefit.

** Free of charge when a parent or guardian is a member of our adult scheme.

*** The provision of dental health examinations and hygiene visits is subject to receipt of the required consecutive monthly payments.
